

Mississippi Reentry Resource Guide: Northeast Region

About this Guide

On behalf of the Mississippi Reentry Council, The Foundation for the Mid South is pleased to produce this updated Mississippi Reentry Guide. A special thanks to the team at FWD.us, who offered their guidance and support to this important project. This directory is designed to connect people to services. It includes resources from national, state, and local agencies with the goal of being as comprehensive as possible. However, some information may be missing. While every effort is made to provide current and accurate information for the agency descriptions and hours of operation, it is recommended to call the agency to verify the information before visiting. The editors cannot and do not endorse any of the services contained in this guide.

This guide is intended to assist formerly incarcerated people and those who support them by providing a list of programs, organizations, and service providers who can provide them with or connect them with resources and support services needed to help them successfully return to their communities. We hope this directory will reach and serve people throughout Mississippi working to successfully rebuild their lives.
