About this Guide

On behalf of the Mississippi Reentry Council, The Foundation for the Mid South is pleased to produce this updated Mississippi Reentry Guide. A special thanks to the team at FWD.us, who offered their guidance and support to this important project. This directory is designed to connect people to services. It includes resources from national, state, and local agencies with the goal of being as comprehensive as possible. However, some information may be missing. While every effort is made to provide current and accurate information for the agency descriptions and hours of operation, it is recommended to call the agency to verify the information before visiting. The editors cannot and do not endorse any of the services contained in this guide.
